RE: Permit No. M 00836

Dear Janice:

Thank you for sending the materials on the Williamsburg Receiving and Storage permit request.

I would just like to confirm that the Township would like to request a public hearing on the permit. If you wish, the hearing could be held in the Whitewater Township Hall. Please contact Carol Hockin, Township Clerk, to find out when the hall is available and to schedule the meeting.

Sincerely,

Scott M. McPherson
